## Panel Description:

As more of our patrons are “aging in place,” public libraries have become vital community hubs for local seniors. When seniors and their caregivers have questions, library professionals want to provide reliable answers and referrals:

- Where in the Capital District can seniors get information about health care, insurance, housing, and meals?
- Where can caregivers go for support and to register for services?
- What current issues are the biggest concerns for local seniors?
- What community partnerships might libraries consider to improve library services to seniors?

Join us for a panel discussion about local senior resources and get answers to these questions and much more!

## Panelists include:

- Albany Guardian Society: Ken Harris, Executive Director
- Albany Senior Services: [Monika Boeckmann](#), Executive Director
- Bethlehem Neighbors (Village in development): Sarah Foster, Secretary
- Bethlehem Senior Services: Jane Sanders, Director
- Northeastern Association of the Blind at Albany: Ann Gallagher Sagaas, Co-Director of Community Services
