### UHLS UPDATES

Mary reported that at the ALA conference in Boston last weekend she made contacts with more publishers, so we should be getting a larger number of review books.

There has also been some movement on KidSearch – a Dynix programmer is actually working on our problem now.

Mary announced that UHLS is again getting the SRP grant from the State (\$5000). She asked if it should again be used on prize books for SRP for each library. The group agreed that it should.
