

**Mohawk Valley Library System and Upper Hudson Library System present
Summer Reading Program Planning Workshop 2014
William K. Sanford Library – February 6, 2014
Performer's Showcase**

- 11:10 am - 11:18 am Lea Cullen Boyer
Performance Name: iPhone Landscape Photography for Teens
Type of Program : Teen and Tween: Art, Nature, Visual Story Telling
Brief Description: Done as a series of workshops or a single full day session. Our goal is to help teens look for what's unique about their community, their experience, and to tell the story of their world with images. We'll teach technical aspects of smart phone camera tools, share theory, explore personal story experience and what makes us unique, and go into the field. This program works well in urban, suburban, rural and native landscapes.
Special Notes: Price range: \$1300 - \$1500 – negotiable. Mileage: \$0.50 per mile. We are experienced at seeking and acquiring grants and would love to work with you on finding funding to share part of the cost of the workshops.

Website: Is in development. You can see some current photos from the teacher:
