

The Gross, the Weird and the Just Plain Strange

Observation Journal

Name: _____

Catherine Brenner

Bethlehem Public Library

Thursdays

Jan 3, 10, 17, 24, 31 & Feb 7

Illustration:

Project Name: _____

Project description: _____

Gross-o-meter

This Observation Journal is for you to record your thoughts and findings about each of our weekly projects.

Use the illustration page to express your own reactions. You can draw, create a cartoon, write in words or any other method of expression that works for you.

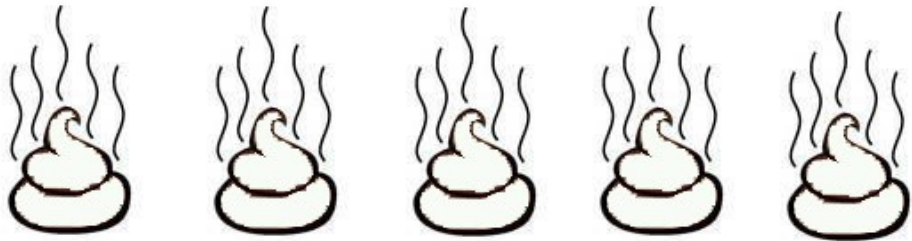

The Gross-o-meter is to express just how disgusting (or not) each project is. The more dog piles you color, the more disgusting the project.
