

## **DISRUPT!** *Reimagine!*

Imagine you have total administration buy-in for all your ideas plus all the time you needed to plan your SRP for your community. What would you change?

Now imagine that you also have all the staff you need. What would you change?

Now you also have pots of money as well! What would you change?

NOW: What small or big changes can you make this year to move in those directions?

*Reimagine!* **REALIZE!**
