

## Database Maintenance Advisory Council

September 25, 2012

**Present:** Lisa Bouchard (BETH), Rob Carle (UHLS), Deidre Lisio (APLM), Jendy Murphy (APLM), Lisa Pitkin (GUIL), Mary Trev Thomas (BETH), Joe Thornton (UHLS)

**Playaways -- abridged and unabridged:** Carol Reppard asked in an email: "I am noticing a number of 'Playaways' with the 'h' subfields of [sound recording (unabridged Playaway)] or [sound recording (abridged Playaway)]. Should these be corrected?"

We decided to maintain the status quo: The proper 245\$h should be [sound recording (Playaway)]. UHLS will correct the records that include "abridged" or "unabridged" in the 245\$h.

**More 245\$h:** Lisa Pitkin asked in an email: "Can we discuss new format headings (GMD 245\$h) for MP3 audiobooks and Playaway Views? These are becoming more prevalent in the system."

We decided to use two new 245\$h's:

- [videorecording (Playaway View)]
- [sound recording (MP3 CD audiobook)]

While we were at it we decided to remove "LeapFrog" from the 245\$h page on the Training website.

Rob will make all these changes.

**Collection management:** Jendy reported that APL was hosting a demo by *collectionHQ* -- a collection analysis and development resource.

**Local girl makes good:** Our own Lisa Bouchard said that she is the co-author of the cover article in the Fall 2012 issue of [American Catholic Studies](#). The article is titled "We're here for the bodies: How the Monastery of the Immaculate Conception became part of Maria College." Congratulations, Lisa!

**Next meeting:** Joe will suggest a Tuesday or Thursday sometime in November.
