

## **Resource Sharing Advisory Council**

**March 21, 2006**

**Present:** Rob Carle, Jean Marie Cole, Marsha Doyle, Dawn Geurds, Geoff Kirkpatrick, Cindy Seim, Joe Thornton

**Minutes of the last meeting:** Joe distributed the minutes from the previous meeting (February 14, 2006) and they were approved without discussion.

**ILL Field Day and an ILL question:** Joe reminded everyone about the ILL Field Day to be held at Hudson Valley Community College on May 17 from 8:30 – 4:00. The main topic this year is Copyright.

This reminded a few of us that there's no ILL Advisory Council, and that we don't discuss ILL in Resource Sharing meetings. We asked ourselves if an ILL Advisory Council was needed and we answered no.

**Checking in pool collection items:** Debbie Canzano had asked in an email if all libraries should "checkin pool collection items when they receive them so they don't show lost in transit reports." The answer is yes, that is UHLS policy. Joe will remind everyone of this.

Also, we need to make sure that UHLS policies are all available in a well known and easily accessible place on the intranet.

**New block type:** Jean Marie had asked in an email if we could create a new block type to inform a patron when something is on hold for his or her spouse. Rob said that it can be done, and we'll work on it right away.

**Circulation anomaly / filling time:** Because our agenda was so thin (hopefully because everything is working so well), Joe asked Dawn about a circulation anomaly that she had sent us by email. After some discussion the council reached the conclusion that the problem was an anomaly.

**The next meeting is scheduled for Wednesday, May 10, 2006 at 9:00 AM at UHLS.**
