

Circulation Advisory Council (online)
January 6, 2021

Present: Diane Bruins (GUIL), Rob Carle (UHLS), Molly Davis (VOOR), Dale LaGue (TROL), Angel Ortega (APL), Kathy Stempel (BERN), Sylvia Taylor (BETH), Joe Thornton (UHLS)

We had no agenda but discussed the following:

- Diane updated us on the GUIL construction project.
- Angel explained that if holds are taking a while to be filled from APLM it's due to staffing issues.
- Online registrations: Rob said that there are more than 2,000 patron records created by online registrations. We normally delete them after 14 days if the patron hasn't visited a library to get a real card, but we changed that number to 90 days when the pandemic started, and then changed it to 'never' until things get back to normal.
