

Circulation Advisory Council (online)
March 3, 2021

Present: Diane Bruins (GUIL), Rob Carle (UHLS), Molly Davis (VOOR), Kathy Stempel (BERN), Robert Sheedy (APL), Sylvia Taylor (BETH), Joe Thornton (UHLS)

It was a very brief meeting, which I think is always a good sign that things are okay out there.

- Sylvia said that BETH is using [UniqueChat](#) (I think that's the right URL) to assist their patrons.
- Kathy said that since Dr. Seuss Enterprises stopped publishing six books, there are reports of people stealing those books from libraries (or checking them out and never returning them - same thing, I guess) and selling them on eBay or elsewhere.
- Rob asked if there's a need for training on frontline circulation. Everyone agreed that it's a good idea.
- Diane reported that GUIL's construction project is scheduled to be completed in July.
