

Circulation Advisory Council (online)
October 6, 2021

Present: Rob Carle (UHLS), Kirsten Heller (RCSC), Laura Kramer(?) (BETH), Carol Melewski (RCSC), Angel Ortega (APL), Joe Thornton (UHLS), Virginia Wescott (TROY)

It was a very brief meeting, which I think is always a good sign that things are okay out there.

Discussion:

- Virginia asked about *Capira* (UHLS Mobile app) stats. Joe wrote a report ([Checkouts of your items in the UHLS Mobile app](#)) that shows the self-checkouts of a library's items by patrons using the UHLS Mobile app, within a specified time frame. Any patron, regardless of Patron Type, can select a "self-checkout" library in the app and self-checkout items that are owned by that library. In almost all cases, they would need to be in the self-checkout library to do this.
- Angel asked a question about RFID tags that we promised to follow up on, but my notes are inscrutable. Sorry, Angel, we'll revisit this at the November meeting.
- Short meeting. All is well in Circland.
