

Circulation Advisory Council (online)
January 5, 2022

Present: Rob Carle (UHLS), Kirsten Heller (RCSC), Carol Melewski (RCSC),
Sylvia Taylor (BETH), Joe Thornton (UHLS)

It was a very brief meeting (shortest ever), which I think is always a good sign that things are okay out there.

Discussion:

- None, really. Just checked in with everyone and everything is fine.
- Short meeting. All is well in Circland.
