

Circulation Advisory Council (online)
April 6, 2022

Present: Rob Carle (UHLS), Molly Davis (VOOR), Kirsten Heller (RCSC), Pam Jacobson (SNLK), Robert Sheedy (APL), Sylvia Taylor (BETH), Joe Thornton (UHLS), Virginia Wescott (TROY)

It was a very brief meeting - always a good sign that things are okay out there.

Discussion:

- Joe asked if Troy was fully open and Virginia said that the library is understaffed, so it's staffing and not COVID that's restricting their open hours.
- Virginia said that Troy would like to add *Preferred Name* to the patron display in *Sierra*, but when they add it the display changes in an unusable way. She asked if we could make it work or ask III if it's possible. Joe asked if there were any other fields that could be removed from the display to make room for *Preferred Name*, but Virginia, as always three steps ahead of us, said that they had tried that without success. Rob will ask III about this. Joe asked if *Preferred Name* could just be appended to the patron's name, and Virginia, predictably (these are all compliments to VW!), said that she had already tried that, too. We'll wait for III.
- Another short meeting. All is well in Circland.
