

Equity Committee Meeting 2/8/24 at 3:05pm

Attending: Tracey Clague (NASS), Mary Fellows (UHLS), Judith Wines (UHLS), Anne Myers (UHLS), Sarah Romeo (BETH), Seth Strock (GUIL)

No new challenge sign-ons to report; we will probably know more at the end of February once more board meetings have happened.

### **Develop Content for Engagement Emails**

Link for prompts [here](#)

Time was spent reviewing and editing the email prompts. We do want to always explicitly link these prompts back to the challenge.

### **Messaging to Other Library Staff Members**

Mary, Judith, and Joe will send out messages to their respective listservs about the challenge, with the intention of cultivating grassroots interest in the challenge. In March, we may ask Tim to send a message out to UHLAN, where it could be distributed further. We may want to tailor these messages to their listserv audience, e.g. the Youthserv email would highlight parts of the challenge that would affect them most.

We want to encourage people to sign up by the April deadline, but we won't turn libraries away for signing up later.

### **Reporting Points at DA Meeting From Today's Meeting**

Formulated messaging for engagement emails; Mary Judith and Joe will send communication to respective listservs, and maybe ask Tim to send it out a month later.

**Next Meetings: Thursday, March 14 at 3:05pm**
